

Supplemental Table S1: Summary of pathology scoring of experimental autoimmune orchitis:

Location	Region	Type	Grade
Testicular pathology	Seminiferous tubules, straight tubules, rete testis	Inflammation (orchitis)	1-5
	Seminiferous tubules	Germ cell loss (aspermato-genesis)	1-10
			Maximum = 15
Epididymal and vasal pathology	Caput, corpus, cauda, vas deferens	Inflammation (epididymitis)	0-8
	Caput, corpus, cauda, vas deferens	Sperm depletion	0-8
			Maximum = 16
Total EAO score	All of the above	All of the above	Maximum = 31
