Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-83876-9>, published online 24 February 2021

The original version of this Article contained an error in the title of the paper, where the term “respiratory infection” was incorrectly given as “influenza infection”.

In addition, in the Discussion section,

“Here, we analyzed gene expression changes in PWH after influenza infections.”

now reads:

“Here, we analyzed gene expression changes in PWH after respiratory infections.”

The original Article and accompanying Supplementary Information file have been corrected.
